

Scientific Programme • Day 1 [Friday, 3rd December 2010]

TIME	PROGRAMME			
0730 - 0845	Breakfast Symposium <i>Venue: Level 3, Conference Hall 1</i>		Breakfast Symposium <i>Venue: Level 3, Conference Hall 2</i>	
0845 - 0930	Plenary Lecture 1 Aging – A view from a cardiologist <i>Kevin S Channer</i> <i>Venue: Level 1, Plenary Hall</i>			
0930 - 1015	Plenary Lecture 2 Long term prevention of cardiovascular risk in women with PCOS: Is there an evidence based solution? <i>Richard S Legro</i> <i>Venue: Level 1, Plenary Hall</i>			
1015 - 1045	Morning Coffee Break <i>Venue: Level 3, Ballroom 1</i>			
1045 - 1215	Symposium 1: Adrenal a) Primary aldosteronism <i>William Young</i> b) Pheochromocytoma <i>Hironobu Sasano</i> c) Primary adrenal insufficiency in childhood <i>Loke Kah Yin</i> <i>Venue: Level 3, Conference Hall 1</i>	Symposium 2: Thyroid a) Thyroid cancer <i>Hossein Gharib</i> b) Subclinical hyper/hypothyroidism <i>Takashi Akamizu</i> c) Hyperthyroidism and pregnancy <i>Fereidoun Azizi</i> <i>Venue: Level 3, Conference Hall 2</i>	Symposium 3: Paediatric Endocrinology a) The initial approach to a child with a suspected disorder of sex development <i>S Faisal Ahmed</i> b) Delayed puberty <i>Jennifer Batch</i> c) Congenital hypothyroidism: have we made it too simple? <i>Robert H. Lustig</i> <i>Venue: Level 3, Conference Hall 3</i>	Symposium 4: Reproductive Endocrinology a) Female sexual dysfunction <i>Susan Davis</i> b) Hypertension & pregnancy <i>Tan Lay Kok</i> c) Treatment of hisutism <i>Richard S Legro</i> <i>Venue: Level 3, Banquet Hall</i>
1215 - 1400	Lunch Symposium 1 <i>Venue: Level 3, Conference Hall 1</i>	Lunch Symposium 2 <i>Venue: Level 3, Conference Hall 2</i>	Lunch Symposium 3 <i>Venue: Level 3, Conference Hall 3</i>	Lunch Symposium 4 <i>Venue: Level 3, Banquet Hall</i>
1400 - 1530	Meet The Expert & Free Paper 1 Diagnosing diabetes: Glucose or HbA1c <i>Jonathan Shaw</i> <i>Venue: Level 3, Conference Hall 1</i>	Meet The Expert & Free Paper 2 Thyroxine therapy <i>Hossein Gharib</i> <i>Venue: Level 3, Conference Hall 2</i>	Meet The Expert & Free Paper 3 TBA <i>Susan Davis</i> <i>Venue: Level 3, Conference Hall 3</i>	Meet The Expert & Free Paper 4 Evaluation of suspected skeletal dysplasia <i>Faisal Ahmed</i> <i>Venue: Level 3, Banquet Hall</i>
1530 - 1600	Afternoon Coffee Break <i>Venue: Level 3, Ballroom 1</i>			
1600 - 1700	Plenary Lecture 3 Gut peptides <i>Michael Horowitz</i> <i>Venue: Level 1, Plenary Hall</i>			
1700 - 1800	Debate 1 Glycemic targets for Asians- Should it be different from the west? <i>Jonathan Shaw, Juliana Chan</i> <i>Venue: Level 1, Plenary Hall</i>			
	Merck Serono Dinner Symposium <i>Venue: Level 3, Ballroom 2</i>			

Scientific Programme • Day 2 [Saturday, 4th December 2010]

TIME	PROGRAMME			
0730 - 0845	GlaxoSmithKline Breakfast Symposium TBA <i>Venue: Level 3, Conference Hall 1</i>		Servier Breakfast Symposium TBA <i>Venue: Level 3, Conference Hall 2</i>	
0845 - 0930	Plenary Lecture 4 Pheochromocytoma: An update for the clinician <i>William Young</i> <i>Venue: Level 1, Plenary Hall</i>			
0930 - 1015	Plenary Lecture 5 Dietary factors in NAFLD and metabolic syndrome in children <i>Robert H. Lustig</i> <i>Venue: Level 1, Plenary Hall</i>			
1015 - 1045	Morning Coffee Break <i>Venue: Level 3, Ballroom 1</i>			
1045 - 1215	Symposium 5: Obesity a) Controversies in dietary treatment of obesity <i>Joseph Proietto</i> b) Fatty genes <i>Yu Wang</i> c) Hypothalamic obesity <i>Robert H. Lustig</i> <i>Venue: Level 3, Conference Hall 1</i>	Symposium 6: Diabetes Mellitus a) Developmental origins of T2DM <i>Ronald Ma</i> b) Is diabetes risk determined before mid-childhood? <i>Mary Ann Lim-Abraham</i> c) Gastrointestinal function and glycaemic control in diabetes <i>Michael Horowitz</i> <i>Venue: Level 3, Conference Hall 2</i>	Symposium 7: GH Therapy a) Promoting growth in children with chronic disease <i>S Faisal Ahmed</i> b) Who should be treated with growth hormone <i>Ken Ho</i> c) Misuse of GH <i>Lee Kok Onn</i> <i>Venue: Level 3, Conference Hall 3</i>	Symposium 8: Pituitary a) Cushing's disease <i>C. Rajasoorya</i> b) Acromegaly <i>Wouter de Herder</i> c) Water metabolism disorders and vasopressin secretion <i>San-e Ishikawa</i> <i>Venue: Level 3, Banquet Hall</i>
1215 - 1400	Servier Lunch Symposium TBA <i>Venue: Level 3, Conference Hall 1</i>	Merck Sharp & Dohme Lunch Symposium TBA <i>Venue: Level 3, Conference Hall 2</i>	Eli Lilly Lunch Symposium TBA <i>Venue: Level 3, Conference Hall 3</i>	Novo Nordisk Lunch Symposium TBA <i>Venue: Level 3, Banquet Hall</i>
1400 - 1530	Meet The Expert & Free Paper 5 New Diagnostic and Therapeutic Approaches in Gastrointestinal Neuroendocrine Tumours <i>Wouter de Herder</i> <i>Venue: Level 3, Conference Hall 1</i>	Meet The Expert & Free Paper 6 Management of diabetic gastroparesis <i>Michael Horowitz</i> <i>Venue: Level 3, Conference Hall 2</i>	Meet The Expert & Free Paper 7 Multifactorial management of diabetic complications <i>Mark Cooper</i> <i>Venue: Level 3, Conference Hall 3</i>	Meet The Expert & Free Paper 8 Vitamin D: Its not just for bones anymore <i>David Feldman</i> <i>Venue: Level 3, Banquet Hall</i>
1530 - 1600	Afternoon Coffee Break <i>Venue: Level 3, Ballroom 1</i>			
1600 - 1700	Plenary Lecture 6 Macro/Micro vascular complication of diabetes <i>Mark Cooper</i> <i>Venue: Level 1, Plenary Hall</i>			
1930 - 2200	Congress Dinner <i>Venue: Level 3, Ballroom 2</i>			

Scientific Programme • Day 3 [Sunday, 5th December 2010]

TIME	PROGRAMME			
0730 - 0845	Breakfast Symposium <i>Venue: Level 3, Conference Hall 1</i>		Breakfast Symposium <i>Venue: Level 3, Conference Hall 2</i>	
0845 - 0930	Plenary Lecture 7 Growth hormone deficiency in adults <i>Ken Ho</i> <i>Venue: Level 1, Plenary Hall</i>			
0930 - 1015	Plenary Lecture 8 Vitamin D and breast cancer <i>David Feldman</i> <i>Venue: Level 1, Plenary Hall</i>			
1015 - 1045	Morning Coffee Break <i>Venue: Level 3, Ballroom 1</i>			
1045 - 1215	Symposium 9: Androgen a) Female sexual dysfunction <i>Susan Davis</i> b) Androgens and prostate cancer <i>David Feldman</i> c) Androgen replacement therapy –are there any cardiac benefits? <i>Kevin S Channer</i> <i>Venue: Level 3, Conference Hall 1</i>	Symposium 10: Diabetes Mellitus a) Diabetes, lipids and cancer <i>Juliana Chan</i> b) Defects in the incretin system in Caucasians with type 2 diabetes <i>Med Juris Meier</i> c) The differences in diabetic complications between Asians and other population <i>Jonathan Shaw</i> <i>Venue: Level 3, Conference Hall 2</i>	Symposium 11: Osteoporosis a) Bone quality: material and structural determinants of bone strength <i>Ego Seeman</i> b) Should we treat osteopenia? <i>Amir Khir</i> c) Treatment of severe osteoporosis <i>Leonard Koh</i> <i>Venue: Level 3, Conference Hall 3</i>	Symposium 12: Imaging a) Radioiodine therapy in thyroid disease <i>Hossein Gharib</i> b) Radionuclide imaging in endocrinology <i>Felix Sundram</i> c) Imaging in reproductive endocrinology <i>Zainul Rashid</i> <i>Venue: Level 3, Banquet Hall</i>
1215 - 1315	Debate 2 Are androgens good for women? <i>Richard S Legro, Susan Davis</i> <i>Venue: Level 1, Plenary Hall</i>			
1315 - 1330	Closing Remark <i>Venue: Level 1, Plenary Hall</i>			

Pre-Congress Workshops

1. AACE & MEMS Advanced Course in Endocrinology (Adult)

Date: 2nd December 2010 Venue: The Auditorium, National University of Malaysia Medical Centre, Cheras, Kuala Lumpur

TIME	PROGRAMME	
0730 - 0800	Registration	
0800 - 0820	Introduction & American College of Endocrinology (ACE) International Clinician Award Ceremony	
0820 - 0850	Pituitary Session Non-functioning pituitary adenoma: The endocrinologist's perspective	<i>Ken Ho</i>
0850 - 0920	Cushing's syndrome: Making sense of the the endocrine society guidelines	<i>C. Rajasoorya</i>
0920 - 0950	Update on the medical management of acromegaly	<i>Wouter de Herder</i>
0950 - 1030	Case discussion (National University of Malaysia Endocrine Unit)	
1030 - 1100	Coffee Break	
1100 - 1130	Adrenal Session My approach to adrenal incidentalomas	<i>William Young</i>
1130 - 1200	Update in the diagnosis of adrenocortical carcinoma	<i>Hironobu Sasano</i>
1200 - 1230	Investigation of primary aldosteronism	<i>Norlela Sukor</i>
1230 - 1310	Case discussion (University of Malaya Endocrine Unit)	
1310 - 1410	Lunch Break	
1410 - 1440	Thyroid Session Management of thyroid nodules based on 2010 AACE guidelines	<i>Hossein Gharib</i>
1440 - 1510	My approach to the management of thyroid disorders in pregnancy	<i>Fereidoun Azizi</i>
1510 - 1540	Diagnosis and epidemiology of thyroid crisis	<i>Takashi Akamizu</i>
1540 - 1620	Case discussion (Putrajaya Hospital Endocrine Unit)	
1620 - 1650	Question and answer session/ Closing remarks	
1730 - 1930	14th AOCE Opening Ceremony at Kuala Lumpur Convention Center	

2. AACE & MEMS Advanced Course in Endocrinology (Paediatric)

Date: 2nd December 2010 Venue: Main Lecture Theaters, National University of Malaysia Medical Centre, Cheras, Kuala Lumpur

TIME	PROGRAMME	
0830 - 0900	Session 1: Metabolic bone disease Disorders of vitamin D and phosphate metabolism	<i>TBA</i>
0900 - 0930	Approach to osteoporosis in children and adolescents	<i>Jennifer Batch</i>
0930 - 1000	Vitamin D, how and when to use?	<i>TBA</i>
1000 - 1030	Case discussion	
1030 - 1100	Coffee Break	
1100 - 1130	Session 2: Disorders of sexual development (DSD) Approach to disorders of sexual development	<i>Jennifer Batch</i>
1130 - 1200	Investigation in DSD and how does it influence the management	<i>Jennifer Batch</i>
1200 - 1230	Investigations and management of gynaecomastia	<i>Fabian Yap</i>
1230 - 1300	Case discussion	
1300 - 1400	Lunch Break	
1400 - 1430	Session 3: Adrenal session Premature adrenarache	<i>Fabian Yap</i>
1430 - 1500	Update in the management of congenital adrenal hyperplasia	<i>TBA</i>
1500 - 1530	Strategies for managing cushing's syndrome	<i>C. Rajasoorya</i>
1530 - 1600	Case discussion	
1730 - 1930	14th AOCE Opening Ceremony at Kuala Lumpur Convention Center	

Pre-Congress Workshops

3. Thyroid Ultrasound

Date: 2nd December 2010 Venue: The Auditorium, Putrajaya Hospital

TIME	PROGRAMME
0900 - 0905	Welcome and Introduction
0905 - 0935	Physics of ultrasound
0935 - 1015	Ultrasound of thyroid nodules
1015 - 1045	Ultrasound of diffuse thyroid disorders
1045 - 1100	Coffee Break
1100 - 1130	Ultrasound evaluation of lymph nodes
1130 - 1200	Parathyroid ultrasound
1200 - 1240	Ultrasound-guided fine needle aspiration
1240 - 1330	Lunch Break
1330 - 1630	Practical workshop
1730 - 1930	14th AOCE Opening Ceremony at Kuala Lumpur Convention Center

4. Insulin Pump

Date: 2nd December 2010 Venue: National University of Malaysia Medical Centre, Cheras, Kuala Lumpur

TIME	PROGRAMME
0830 - 0900	Registration
0900 - 1030	Overview of insulin pump therapy Goal & principle of insulin pump therapy Carbohydrate counting
1030 - 1100	Coffee Break
1100 - 1230	Patient selection criteria for insulin pump How to initiate insulin pump
1230 - 1315	Lunch Break
1315 - 1500	Hands-On Session Downloading of patient data Discussion on patient data & testimonial * Introduction to medtronic diabetes * Home screen & main menu * How to deliver a bolus & set up basal rates
1500 - 1530	Coffee Break
1530 - 1700	* Key safety features of medtronic pump * Data management of medtronic pump * Practice session
1730 - 1930	14th AOCE Opening Ceremony at Kuala Lumpur Convention Center
